ORDER

On June 23, 2008, the Court denied the motion to dismiss [14] filed by defendants Petersen Trucking, Inc. and Petersen Transport, Inc. ("Petersen"). Therefore, as a housekeeping matter, the Court requests that the Clerk of the Court close the motions for extensions of time to file responsive papers filed by plaintiff and defendant UTi United States, Inc. on March 13, 2008 [18] and by Petersen on March 31, 2008 [21]. The parties are directed to make future applications for extensions of time by letter directly to chambers.

SO ORDERED.
